

Tours for organized adult groups in Ojcow National Park

Trips for organized groups of adults are led by tourist guides through tourist routes designated by the management of the Ojcow National Park

Multimedia and Real

At the beginning, the route takes us through Nowa, opened in April 2010 Multimedia Nature Exposition of the Ojcowski National Park. In a short time we can get to know the versatile nature of Ojców and Ojcowski National Park, listen to birds singing, hear a cave echo and feel the falling drop of cave rain, watch pictures and 3D movie. So prepared for the absorption of nature, we set out on a green trail where in reality, we will confirm the previously acquired knowledge. During the hiking we will visit the Dark Cave where we will be able to see the formations of the stalactite cave found in the Museum and see the ancient archaeological excavations. Next, we will follow the trail through viewpoints to the magnificent Prądnik Valley. Perhaps during the journey we will be able to hear and recognize the bird's singing? or even meet other inhabitants of Ojcow's forests ...?
