

Green Schools in Ojców National Park with Ecological Education for children

The surroundings of the Ojców National Park are a wonderful "Green Class" for all kinds of outdoor activities for children and youth.

My Own Green School in Ojców and Ojcowski National Park

Write to us!

We prepare green school programs tailored to the requirements of groups not only in terms of dates and attractions but also the curriculum including necessary elements of education.

Do you think about the Green School in the Kraków-Częstochowa Jura? That's great! We will organize a Green School for you!

Write to us info@ojcow.pl

We will set the price together. Write to us!

Additional information:

- the above offers are already checked by other groups of proposals for Green School programs;
- prices are calculated according to the number of participants, therefore each group has an individual calculation - it can also result from changing the price of admission tickets to visited facilities or with own group transport;
- the program can be modified.

Included in the price:

- If you are interested in one of the above green schools or you want to receive a proposal for a new program according to your own instructions ... Write to us by email info@ojcow.pl or after call +48 12 6813692

Warning

- We also organize trips and green schools on the Kraków-Częstochowa Upland and other regions of Poland!
