

Tours for individual tourists in Ojcow National Park

The best way to feel the unique atmosphere of the Ojcow National Park.

Trip: MILLING PLATE AND DUMPLINGS

We will move to the mid-nineteenth century ... We will have the opportunity to see how the mill once worked, how the host lived and how the mill wheel fed the sawmill ... After visiting the mill, we will be waiting for cooking culinary dumplings! Surely many a housewife knows how to make delicious dumplings but they are probably made differently in a 15th-century mill and in company. We recommend for families with children!
